#### THOUGHT OF THE MONTH

Summer will soon be a distant memory and everyone will be turning their thoughts towards the Festive Season and all the razzmatazz which goes on. With the passing on of the year new beginnings are considered and new plans dreamed, booked and hoped for when holidays come around next year. New babies are and have been born, old friends have passed away or moved on, and the flux of life continues. In the middle of change there is God, who promises to be the same today, yesterday and in times to come. Many people find the idea of God being constant and consistent in an ever changing world very comforting.

Scripture promises that God will never leave or forsake His people, those who live by His way and confess His name. In return for that security in God He expects His children to live lives which witness to Him and the resurrection of Jesus. In all the plans and preparations for the birthday of Jesus please be reminded to include those who are not as fortunate as you. There are Shoe Box schemes to support, Pharaoh and his Pantry could use a few treats apart from the usual tins and cartons of condensed milk. In short in the next few weeks there will be ample opportunity for ministry. In that opportunity please remember to pray for those in need, those who need a touch from God, and not least to give thanks for all God's gifts to you.

purpose: to reflect God's love in our church, community and world

# prayer diary: october 2013

"Follow Me, and I will make you fishers of men."

Matthew 4:19

October is the start of a season of special events and services for the church: Women's Hour Anniversary, Refined Women's Day, Harvest, Bible Sunday and Church Anniversary are amongst the main ones. However, many of these events are 'inward looking' in as much as they are designed primarily for Christians. As a church which has committed itself to being a missional community we must be cautious of spending too much time 'navel gazing'! Pray that these events would inspire us, encourage us, equip us and train us to be more effective so that as we leave the building and the special services we go as missionaries to share the Gospel wherever we find ourselves.
