## **Friday 31st**

Today is a good day to praise God for your salvation. Do not ask God for anything for anyone today; just give Him praise for the gospel and the forgiveness of your sin, by Jesus on a cross.

## **THOUGHT OF THE MONTH**

'Jesus' love is very wonderful' is a line from a chorus about God's love for people. 'I just love ice cream!' sums up the average 10 year old on holiday. 'I love you' says the bride and bridegroom on their wedding day, and five years later they are in the divorce court. The word 'love' is overused and clichéd because there are no common substitutes. 'Agape', 'eros', 'philia' are Greek words which express different ideas and kinds of love: love of God, physical love and brotherly love. In the Bible Jesus talks a lot about love: for God, for one's neighbour, for one's family and friends, for the church and all the difficulties that presents. In His prayers Jesus often prayed for others, and then He told His disciples to do the same as Him. By implication Christians who pray for others are doing two things: doing what Jesus told them to do and showing love towards the people for whom they pray.

Working at love is not a strange idea to married couples, like a tender plant love has to be tended and nurtured. Showing love to others by praying for them in a meaningful way takes time, energy, persistence and above all love. You do not usually give expensive presents to strangers, but showing love to your spouse or friend takes time, resources, and love. While praying this month please pray in love for those dear to you, and also those not so near who need a bit of love.

## prayer diary : january 2014

"Go and make disciples of all nations."

Matthew 28:19

In 2013 we focussed our attention on the theme of 'Grow up!' with our verse for the year and 4 series of sermons on the subjects of maturity and discipleship. One of the features of mature organisms is that they reproduce - immature people, animals or plants are not able to produce offspring, but mature ones do. For 2014 we are taking the theme of 'Grow up' and developing it into the theme of 'Go!' Now is the time for mission and evangelism. Now is the crunch time when churches need to move from maintenance mode to being a missional community. Pray that this year we will "Go and Grow" for the sake of the kingdom!
